To Whom It May Concern,

20 JUNE 2018

Dear Sir / Madam,

**RE: SALT ROCK SHOPPING CENTRE**

We have developed a 9000m2 GLA shopping centre in Salt Rock. Indlovu Construction was awarded the 95 million contract in July 2017. The Contractor performed excellently and completed the project within 9 months. All Beneficial Occupation dates where reached.

It has been a pleasure working with Graham, Cameron and their team in the professional manner in which they conducted themselves.

BJV Quantity Surveyors will at any time provide Indlovu Construction the opportunity to tender and work with them.

We can also recommend them with comfort for any prospective work.

Yours faithfully
