REFERENCE LETTER

This serves to confirm that SVA international are pleased to have worked with Indlovu Construction during recent months. We have no hesitation in commending them as contractors for their excellent management and construction skill. Despite the many challenges they were able to have delivered a noteworthy Shopping Center building within budget and record programme.

We will certainly not hesitate to include Indlovu Construction in future tenders we might have.

Yours sincerely

.....
Francesco Coppola
Associate Executive
SVA International Pty Ltd
